The purpose of this partition plat is to partition a parcel of land off of the Port Maintenance Shop Site for an Electric Sub Station.

Krumbein set the East corner of this property and one on the North line 810.66 feet West of the East corner in a 1983 survey for Morrow County. Said East corner has been destroyed so I reset it by intersecting the Easterly projection of the South line of Columbia Ave. with the North R/W line of U.S. 1-84 as in Deed M-31323.
